AMSPDC Virtual Conference
Submit a Poster

TO SUBMIT: Email a pdf of your poster to info@amspdc.org.
Deadline: COB, Thursday, February 25th.

The AMSPDC and AAAP 2021 Annual Meeting Planning Committees are excited to invite you to submit posters for a virtual poster session to coincide with the upcoming annual meeting. A major theme of the annual meeting program will be our national opportunities for leadership in diversity, equity, inclusion, anti-racism, bias and disparities.

In the weeks following the murder of George Floyd, as social unrest gripped our nation, AMSPDC hosted a Conversation on Racial Injustice. This provided an opportunity for an open dialogue while sharing and learning from one another. We were inspired by the thoughtful and innovative work already underway in many departments and know this outstanding work continues. We are eager to use the Annual Meeting as an opportunity to share our successes and lessons learned, establish best practices, and foster a strong network of pediatrics faculty and staff engaged in this work.

We invite chairpersons, department administrators, and/or associate/vice chairs to submit posters featuring unique and impactful work within these topics. Virtual posters will be available for viewing throughout our annual meeting (March 4-7) with a virtual poster session kicking off our joint session with the AAAP on March 6th from 9:30am - 10:30am EST. Any faculty within an AMSPDC Chair's department can submit and present during the poster session as long as the Chair is registered for the meeting.

From the poster submissions, the planning committees will select up to three posters to be presented in more detail during our Saturday afternoon workshop in collaboration with the AAAP.
