

Education Committee

- Chair – Doug Carlson: March 2021-2024
- Co-Chair – Vacant
- Xylina Bean: March 2019-2022 (first term)
- Kimberly Boland: March 2021 – 2024 (first term)
- Mitch Cohen: March 2020 – 2023 (second term)
- Keith English: March 2020 – 2023 (second term)
- Barbara Ostrov: March 2021 – 2024 (second term)
- Mary Ottolini: March 2021 – 2024 (first term)
- Chris Smith: March 2020 – 2023 (second term – Emeritus member)
- Dawn Tuell: March 2021 – 2024 (first term)
- Clarence W. Gowen: March 2021-2024 (first term)
- Robert Nelson: March 2021-2024 (first term)

Education Committee

Accomplishments/Activities

- Strengthening relationships with CoPS, APPD, COMSEP, APA.
- Co-projects with Clinical Committee on resident primary care opportunities and (initial phase) compensation.
- Plan resident and fellow recruitment policies during pandemic.
- Working with groups exploring definitions of scholarly work within advocacy and social media.
- Advise on ACGME recommendations on curriculum changes and FTE support for residency and fellowship programs.
- Work with ABP on BMH Roadmap project and how EPA's will be used.

Education Committee Goals

- Continue to work with other organizations to make sure AMSPDC has a part in all decisions that affect educational activities in our Departments.
- Developing project on getting more applicants for undersubscribed sub-specialties. (Obviously fits with work done by Workforce group and Clinical Committee. Don't want to be redundant but this may need specific effort).
- Work with others to develop residency and fellowship recruitment plans post pandemic. (How do we apply the things we have learned).
- How much facilitation, vs input, vs lead roles should AMSPDC have in education. (plan on exploring that in the coming year. I am personally not sure want to hear from others).
